

Paulo Maté

p.matedenicolas@gmail.com | +34 666144215 | Current residence in Madrid

I am a full stack programmer passionate about programming and technology in general. I am used to working as part of a team of professionals from different areas, although I am also capable of working autonomously and individually. I look for opportunities that allow me to learn and grow professionally, as well as being able to contribute my experience and knowledge to the people I work with.
